

Marshall Cavendish Education Learning Journey

7 Days 6 Nights

Introduction

Marshall Cavendish Education's Singapore Executive Education Programme is a 7-day educational tour designed for school leaders and educators, to immerse themselves into Singapore local heritage and its world-class education. In this learning journey, school leaders and educators will be guided by facilitators and subject matter experts to attend English literacy, arts, science and STEM workshops, visit a local sustainable production plant to understand and learn about green sustainability, tour Singapore's heritage attractions to understand the different ethnic cultures, and visit the local university campuses.

About Marshall Cavendish Education

A global education solutions provider dedicated to nurturing the joy of learning and preparing students for the future.

We simplify learning and listen to the needs of schools, teachers, students, and parents.

We are the only Asia-based publisher that is an endorsement partner of Cambridge International Education.

Day 1: Arrive in Singapore

Arrive in the beautiful Lion City of Singapore
Opening Ceremony

Meals

Dinner Provided

Day 2 & 3: Opening Ceremony and Meet the Author

(Morning):

Opening Ceremony

Begin the programme at the MCE office with an official welcome, programme briefing, and introduction to the learning journey ahead.

(Afternoon):

Meet the Author

Explore selected MCE-published titles and meet the authors behind the books. This sample features Singapore culture-related titles such as "Out & About in Singapore" and "Colouring Singapore", with workshops tailored to the group's learning journey.

Meals

Lunch Provided

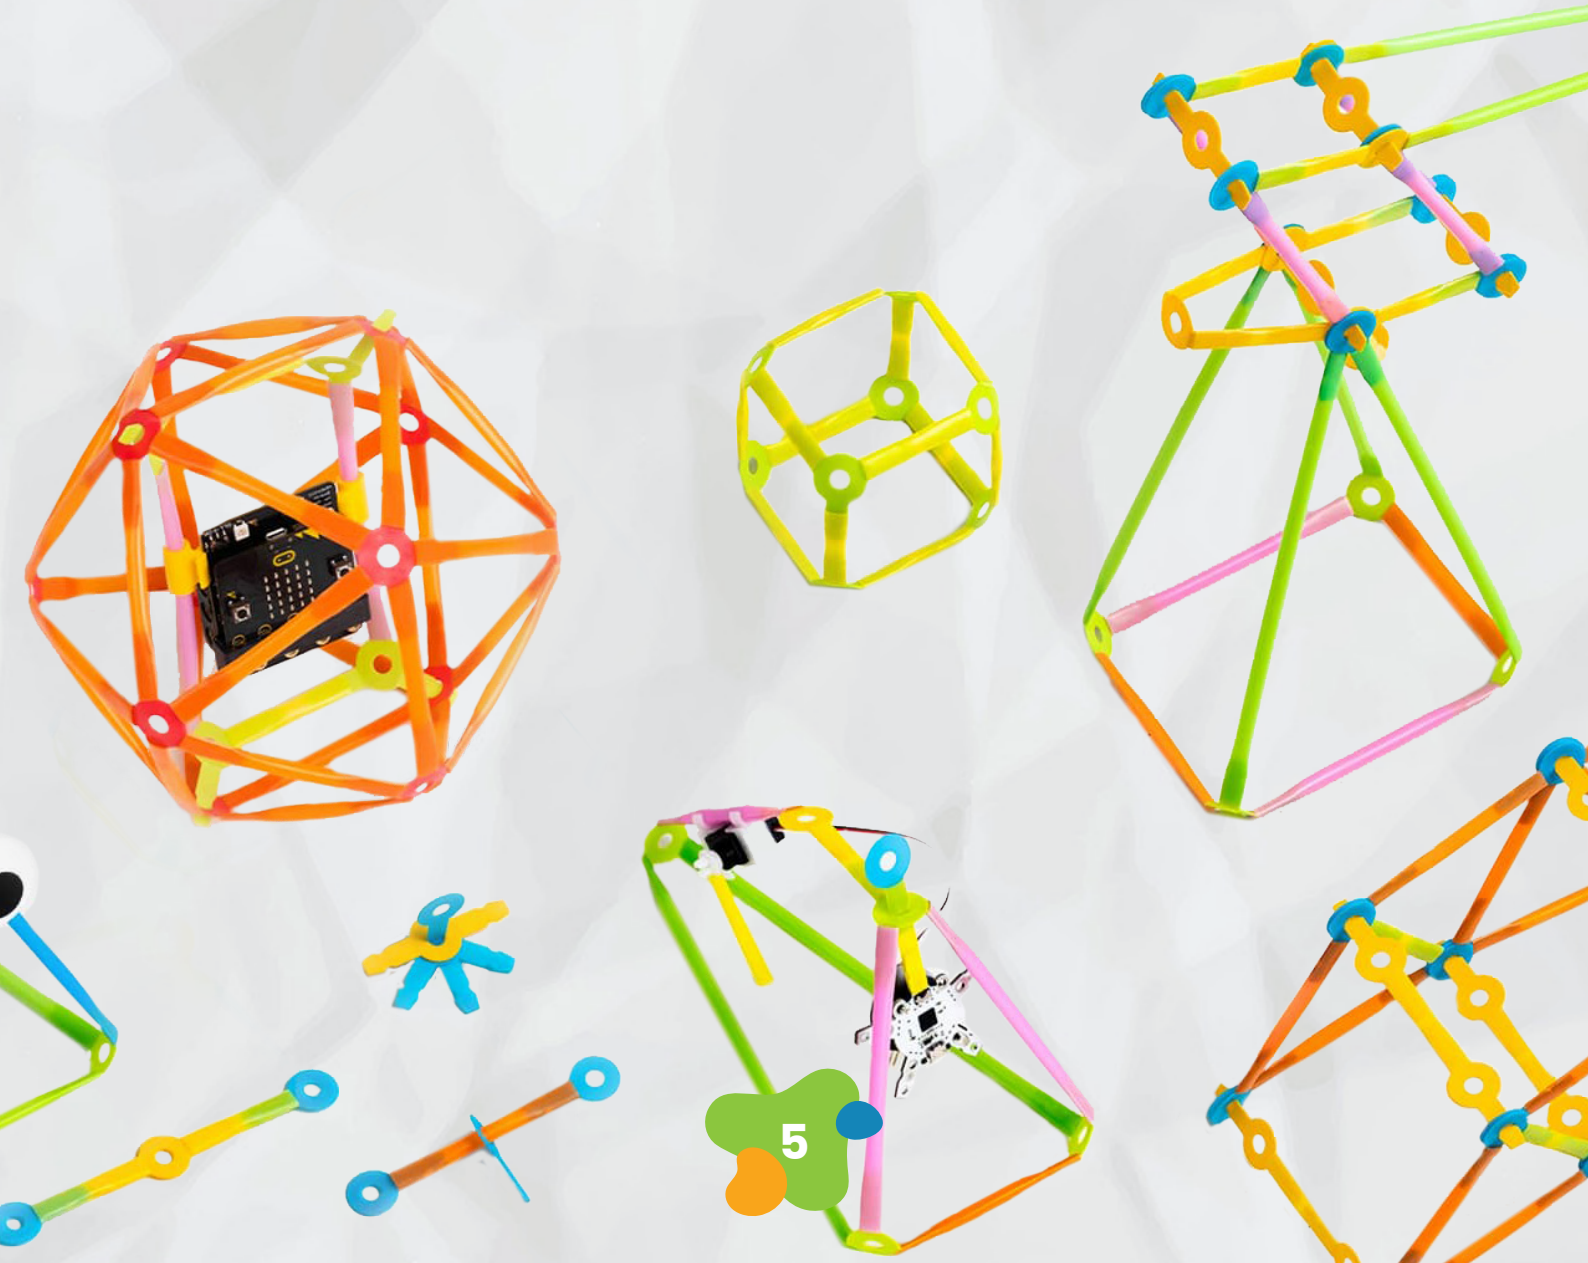

Day 4: STEM Day

(Morning & Afternoon): Strawbees and Coding

Strawbees simplifies STEAM education for both teachers and students. As the preferred choice for educators, it offers a comprehensive solution for building, coding, and engaging in robotics activities. With a demonstrated hands-on methodology, Strawbees ensures a high level of student involvement in the learning process.

Meals

Lunch, Teabreaks and Dinner provided

Day 5: Sustainable Earth and Closing Ceremony

(Morning):

Greenlab Factory Visit

Visit GreenLab to make ecofriendly products. GreenLab is the first one-stop manufacturing company in Southeast Asia that produces high-end environmentally friendly products. You will learn the importance of environment protection and sustainability. Attendees will participate in scientific experiment workshops and create an environmentally friendly product to help protect the earth!

(Afternoon):

F&N Experience Centre Visit

Spanning 375,000 square feet, this state-of-the-art facility signifies a substantial expansion of F&N Singapore's capabilities, covering production, warehousing, and research and development (R&D) functions. Designed to operate as a cutting-edge smart factory, this facility incorporates a high-tech automated storage and retrieval system, enhancing vertical integration and supply chain connectivity. It also hosts a dedicated R&D centre aimed at expediting the transformation of innovative ideas into finished products, including F&N's lineup of health and wellness beverages featuring sustainable packaging solutions.

(Evening):

Prize Presentation

Meals

Lunch and dinner provided

Day 6: Fun at USS

Universal Studios Singapore is Southeast Asia's first and only Universal Studios theme park. Be transported by adrenaline-pumping rides, interactive shows and a wide variety of exciting attractions based on the blockbuster movies and television series you know and love so well.

Meals

Meal Vouchers Provided

Day 7: Departure

Visit Jewel Changi Airport

Pack your bags and say goodbye to your local facilitators

Catch your return flight and home sweet home you go!
